Final Denial Letter Review

We received a request from you for our views on proposed issuance by Exempt Organizations, Technical of a final denial letter to the 
(Organization) on application for initial exemption from Federal income tax under section 501(c)(3) of the Code. The ruling concludes that the Organization failed to establish that it operates exclusively for exempt purposes. It further concludes that the organization will exclusively serve a private purpose and that the organization operates for the benefit of private interests as prohibited under section 1.501(c)(3)-1(d)(1)(ii) of the Treasury Regulations. We reviewed a copy of the administrative record, and we concur with issuing a final denial letter.

In order to cover all grounds that we believe support the denial we recommend revising the denial letter to read:
